## POSTAGE STAMP CENTENARY

1951

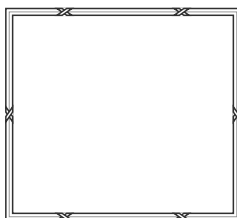

*Mail Trains, 1851 and 1951*

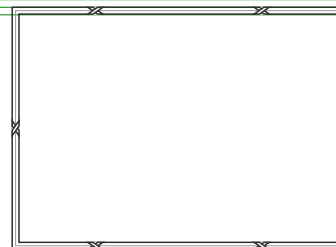

The British North American postal administration began in 1851 when Canada's first stamps were issued, one showing a beaver and the others Queen Victoria and Prince Albert. This set marks the centenary anniversary of Canadian postage stamps. It was issued September 24, 1951

*Steamships*

*First Stamp of Canada*

*Mail Coach and Mail Plane*

The stamp which was produced by a combination of the engraving and lithography printing methods, was issued on July 26, 1952. It commemorates the 18th International Red Cross Conference, which convened in Toronto, Ontario during July of 1952

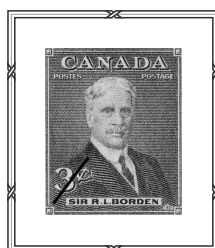

*Red Cross and Clouds*

## RED CROSS

1952

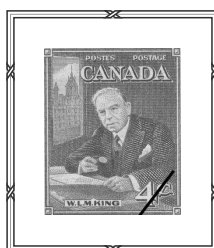

## PRIME MINISTERS

1951

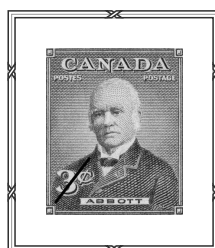

*Prime Minister Borden*

1951

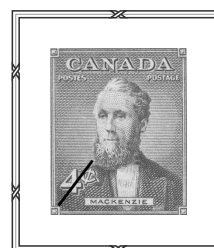

*Prime Minister King*

1952

*Sir John Abbott*

1952

*Alexander Mackenzie*

These stamps pay tribute to Canadian Prime Ministers. Sir John Abbott became the head of Canada's government in 1891; Alexander Mackenzie served from 1873 to 1878; Sir Robert Laird Borden became Prime Minister in 1911; and W. L. Mackenzie King served in three different occasions as Prime Minister: 1921-6; 1926-30; 1935-48. Mackenzie headed Canada's first Liberal administration; King also was a Liberal leader. The Borden and King stamps were issued June 25, 1951; the Abbott and Mackenzie adhesives November 3, 1952

## WORLD HEALTH DAY

1972

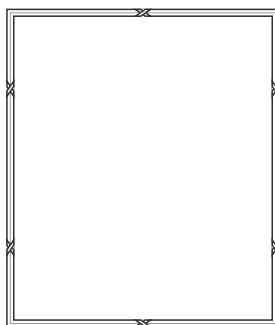

*Figure of a Heart*

Designed by Joyce Wieland of Toronto, the stamp incorporates the figure of a heart in keeping with the theme for 1972 World Health Day, "Your Heart is Your Health."

## FIGURE SKATING

1972

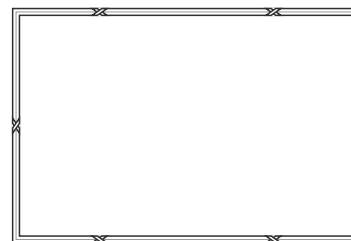

*Figure Skaters*

Issued to commemorate the World Figure Skating Championships held in the City of Calgary from March 6th to 12th. The first international skating competition was held in 1890 in St. Petersburg, Russia. It was won by Louis Rubenstein, a Canadian.

## GOVERNOR FRONTENAC

1972

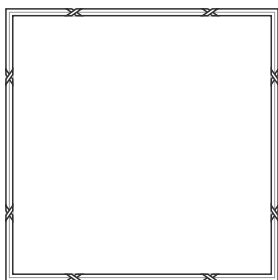

*Statue of Frontenac*

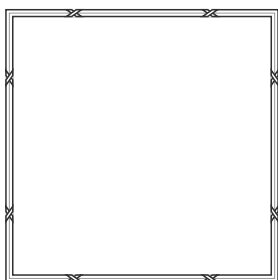

A man of bold and dynamic personality, Frontenac was an influential figure in the early history of Canada. He is best remembered as the architect of French development in North America and the defender of New France.

## EARTH SCIENCES

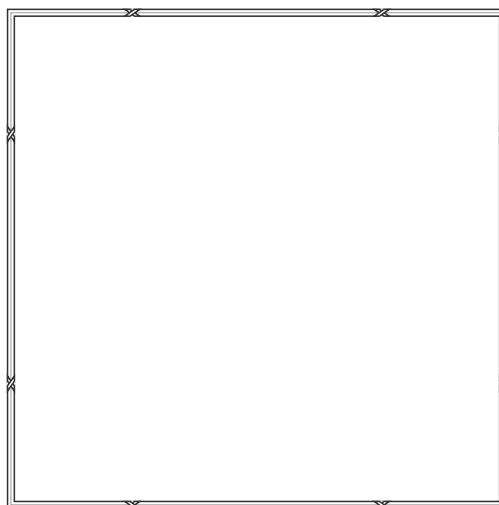

1972

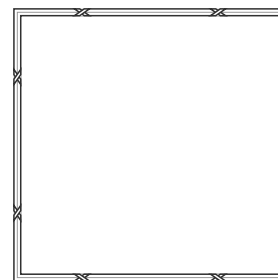

*Faulted Strats of Earth Crust*

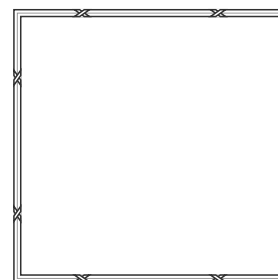

*Geometry of Aerial Photography*

Four stamps representing the sciences of Photogrammetry, Cartography, Geology and Geography were issued on August 2nd in recognition of four scientific congresses: the 24th International Geological Congress, the 22nd International Geographical Congress, the 12th Congress of the International Society of Photogrammetry and the 6th Congress of the International Cartography Association.

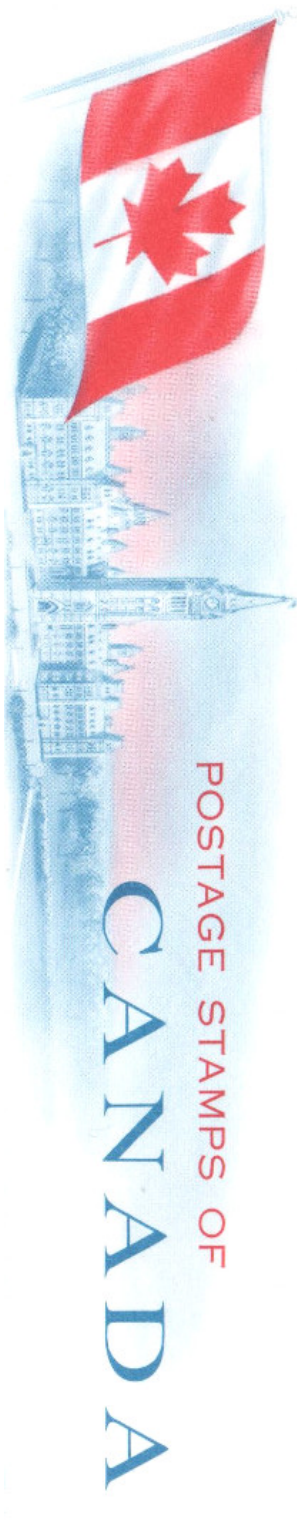

*Simplification of Mountains*

*Abstracted View of a Village*
